Date. 20.03.20

To,

All the Pastors,
Himalayan Free Church of India.

Greetings in the name of our lord Jesus Christ!

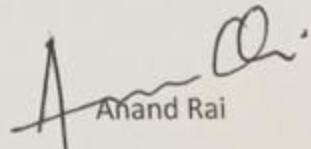

In the light of Public health concerns related to COVID – 19 (Corona Virus), Pandemic infectious disease all over the globe, the government of India and the state government have issued the directions to close all educational and religious conferences, seminars and any other Public meetings.

In pursuance of the above respective directions, the Himalayan Free Church of India (HFCI) has taken the decision that all church services and cottage meetings attracting large gatherings of worshippers scheduled from tomorrow till the 31st march 2020 shall remain suspended.

In these most critical times of uncertainty and fear, we look to the word of our Lord which brings assurance Peace and Hope. Jesus said – "Let not your heart be troubled".

The next notification will be issued after 31st march.

Yours in Mission

Anand Rai
General Secretary

HFCI
